LYRICS BY TIM RICE

Piano score for "Can You Feel the Love Tonight". The score is in G major (one sharp) and 4/4 time. It includes the full musical notation for the song, including the verse and chorus. The lyrics are written below the piano part.

There's a calm, surrender to the rush of day,
There's a time for everyone, if they only learn
When the heat of the rolling world can be turned away,
That the twisting kaleidoscope moves us all in turn,
An enchanted moment, and it sees me through,
There's a rhyme and reason to the wild outdoors
It's enough for this restless warrior just to be with you,
When the heart of this star-crossed voyager beats in time with yours,
Can you feel the love tonight?
Can you feel the love tonight?
